

## Transfer of pension rights: taking your pension

**If you have accrued a pension previously with another pension fund, you can take the pension with you to your new pension fund. This is called the transfer of pension rights.**

**If you wish to know what this implies for your pension, complete this form and send it to us. We will send you an offer. You can then decide whether you wish to transfer your pension rights. Our address is:**

Stichting Pensioenfonds Astellas, AZL  
Postbus 4471  
6401 CZ HEERLEN

**If you do not return the form then you choose not to take your pension with you to your new pension fund. The pension that you have already accrued will then remain with your previous pension fund.**
